Intercooler: I = Air/Water

I = ISO Standard (ISO 3046), C = Continuous power, F = Fuel stop power, N = Net power

* Complies with IMO emission regulation levels

** Complies with US Tier 2 and IMO emission regulation levels

*** Complies with US Tier 2, EU Stage IIIA and IMO emission regulation levels

4) Complies with CCNR Stage II, EU Stage IIIA and IMO emission regulation levels

Note!

The engines in this document are listed with their intended emission compliance, indicating that the engines fulfil the emission regulation level specified, but it does not imply that all engines are approved and certified at time of production of these documents.

For detailed information about approved and certified engines, access SAIL or contact your local Scania distributor.
